- If your child arrives to school late or leaves school early for any reason, please report to the main office to meet him/her and not to the classroom. Parents are required to sign students in/out in the main office.
- If your child forgets materials necessary for the school day, these should be dropped off in the office. Please make sure items are clearly marked with your child's name.

Changes to Regular Dismissal Plans

Students will not be called to the office for dismissal after 2:45 p.m. Changes to your child's normal dismissal plan must be made in writing; phone calls will not be accepted. These procedures ensure the safety of our students, decrease the number of classroom interruptions, and will avoid any confusion. In the case of an emergency, please contact the office at 443-809-1719.

Late Arrivals and Students Leaving Before Dismissal

It is very important that all students arrive to school on time. All students are expected to be in their seats and ready to begin the instructional day at 8:45 a.m. Students arriving after 8:45 a.m. are considered late and should follow these guidelines:

1. Enter through the main door and report to the office.
2. A parent must accompany the student(s) into the office.
3. A staff member will walk students to class if necessary.

Carpool Procedures

Please enter our property using Wilson Shannon Drive to use our designated car loop if your child is a car rider. It is not the main entrance to the school. You must complete a Carpool Registration Form which can be obtained from the main office. After your carpool registration process is completed, you must display your Carpool Number on your vehicle's rear-view mirror daily. Students will wait in the hallway to be called to line up for carpool dismissal by their carpool number in the order that cars arrive. Please be respectful by waiting your turn, staying in your car throughout the carpool process and not parking in the community. A carpool number is not required for morning drop off.

Early Child Pick-Up

If it is necessary for you to pick up your child prior to the end of the day:

1. A note should be sent to each classroom teacher which includes the date and time of pickup. Students will not be called to the office for dismissal after 2:45 p.m.
2. When you arrive, the office will need to see photo identification before calling your child to the office for dismissal.
3. Please sign the dismissal log in the office and complete an early dismissal slip.

Bus Transportation

Bus transportation is available to students based on their enrollment address. For help finding the appropriate bus for your child(ren), please contact Stacey Enty, Assistant Principal, at 443-809-1719 or senty@bcps.org. Our Lyons Mill Bus Schedule is available in our main office and is posted <http://lyonsmilles.bcps.org> Parents meeting students at the bus stop should be prepared to receive them as early as 3:20 p.m. Busses should leave school grounds by our 3:30 p.m. dismissal time. Students must ride their assigned bus and use their designated bus stop location.

BCPS provides a handbook that explains the roles of the various people involved in student transportation. Parents/guardians are asked to review the contents of this booklet and to work with their children so they will understand their responsibilities. <http://www.bcps.org/offices/transportation/pdf/Parents-Students-Guide.pdf>

Emergency Early Dismissal Plan

In the event that schools are to be closed for inclement weather or excessive heat, announcements will be made by local television and radio stations. A ConnectED message will be sent by the principal and notifications will also be posted on Twitter. Please note that Lyons Mill Elementary is not required to call parents concerning county-wide school closings. The only exception is if Lyons Mill is the only school to close due to an emergency such as a power outage. In that case, school staff must have direct contact with parents (phone or email) in order to release students.

CAFETERIA

Grab & Go Breakfast

As students enter the building, they may buy breakfast between 8:30 a.m. and 8:45 a.m. Students in grades 1 and 2 report to the cafeteria to buy breakfast then take their breakfast to their classroom to eat. Students in grades 3, 4 and 5, report to the grand staircase to buy breakfast then take their breakfast to their classroom to eat. Kindergarten students report to the cafeteria and eat in the cafeteria. A staff member will be on hand to assist students with Grab & Go Breakfast.

Cafeteria & My Schoolbucks

BCPS is partnering with Myschoolbucks (www.myschoolbucks.com), which allows parents to prepay for their students' school meals online. Parents have the ability to set up free accounts to monitor student meal purchases, to receive e-mail notifications for low account balances, to set spending limits, and to place limitations on items

purchased. Current parents who used mylunchmoney.com will be transferred automatically to the new system. Baltimore County provides a menu to students each month. The lunch menu offers a choice of three entrees, served with milk, fruit or juice, and vegetable. A la carte items are also available.

A cafeteria policy has been designed to assist students who need a lunch, but have no lunch money on a given day. It will enable your child to receive a regular lunch for up to two days. Your child will receive a pink slip indicating insufficient funds to make you aware of the situation. You will need to repay the loan and make sure your child comes to school with money, or put money on his/her cafeteria account. Should there be a third day on which the student needs lunch and financial responsibilities have not been taken care of, your child will only receive a minimal lunch, such as cereal, until the account is brought up to date.

Breakfast \$1.40 /Breakfast Reduced \$.30
Lunch \$2.90/ Lunch Reduced \$.40

ATTENDANCE

Attendance

Regular attendance at school directly impacts academic success and your child's attendance rate is reported on the report card every quarter. In the attendance area of the report card, you will see the number of days absent, the number of days late, and the attendance rate (the percentage of enrolled days present). The Maryland State Department of Education's standard for satisfactory attendance is 94%.

Following an absence, students are required to present a note to their homeroom teacher on the day they return to school signed by the parent or guardian, and must include the name of the student, the date(s) and reason for the absence. Upon receipt of the note, the school will verify the absence as excused or unexcused. The following is a list of excused (lawful) absences:

Lawful Absences

Illness of the Child
Death in Family
Court Summons
Religious Holiday
Suspension

Make-Up Work

Students absent for lawful reasons may request make-up work. Students are provided the same number of days to complete and turn in make-up work as they were absent. All other absences (including vacations) are considered unlawful. If your child is absent for an unlawful reason, your child is not entitled to receive make-up work.

-  Morning meetings and class meetings will be part of our culture at Lyons Mill. Morning meetings will be used to build a sense of community and encourage a successful day socially and academically. Class meetings will celebrate individual and class successes, address classroom issues, set goals, and problem-solve as a classroom community. Students will be empowered to voice their ideas, to lead, and to hold each other accountable.
-  The Second Step Program will be implemented at Lyons Mill. Multisensory lessons will be presented in class that promote social-emotional growth, self-regulation, safety, and support.
-  The "Do Something Good Today Moment" will be part of the morning announcements at Lyons Mill. This character education initiative will focus on specific virtues or special events (Red Ribbon Week, Anti-Bullying Week). The topics covered will be published in the Lyons Mill newsletter.
-  The school counselor will be implementing lessons that support the Code of Conduct in addition to other developmentally appropriate topics.

Schoolwide Discipline

We look forward to a collaborative and supportive partnership in teaching our students to be respectful, responsible, and caring members of the Lyons Mill community. Teachers will use student behavior as an opportunity to have meaningful conversations with those students who do not meet the Code of Conduct expectations. When expectations are not met, we will use the Hierarchy of Phases. Phases are consistent throughout the building. We believe that behavior and discipline are shared responsibilities between home and school.

Hierarchy of Phases

<i>Phase 1</i>	Gentle Reminder	Warning that a specific behavior needs to be changed.
<i>Phase 2</i>	Tap-In Tap-Out	Second reminder for a similar behavior that needs to be changed.
<i>Phase 3</i>	Take a Break Reflection Sheet	Written reflection for repeated violations of the Code of Conduct.
<i>Phase 4</i>	Teacher's Choice	Teacher decides consequence for student behavior.
Office Referral Office referrals for chronic behavior infractions will be handled on a case by case basis.		

Tap-In Tap-Out: A student is asked to Tap-Out to think about the Code of Conduct. The student touches the sign and goes to the *Think Zone*. The student is invited to Tap-In and re-join the class when he/she is ready or after a specified amount of time has elapsed.

Take a Break Reflection Sheet: Students will complete a *Take a Break Reflection Sheet* related to the Code of Conduct. The *Take a Break* sheet can be completed in the class *Think Zone* or in a Buddy Class. At a convenient time, the teacher will use the *Take a Break* sheet to initiate a discussion with the student about what happened in an attempt to clear the air and prevent future offenses. Reflection sheets will be stapled into student planners and will require a parent signature. Parent notification will also be communicated in the Parent/Teacher Collaboration section of the student planner.

Teacher's Choice: The teacher will issue a consequence based on the student's behavior. Possible consequences include loss of a privilege, lunch detention, a phone call home, an email to the parent, parent conference, or after school detention. Parent notification will be communicated in the Parent/Teacher Collaboration section of the student planner.

Office Referral: Any student sent to the office will have an Office Referral Form filled out by a teacher or staff member. Office referrals are handled on a case by case basis. Administrators will notify parents when a student is referred to the office.

Immediate Office Referrals: The following incidences outlined in the Baltimore County Public Schools Student Behavior Handbook require an immediate office referral: destruction of property, fighting, harassment, bullying and/or intimidation, indecent exposure/language, leaving classroom or school grounds without permission, physical attack on staff or students, theft, physical or verbal threat of staff or students, weapons violation.

Bullying/Harassment/Intimidation: Bullying, harassment, and/or intimidation are considered serious and will not be tolerated. The Board of Education of Baltimore County prohibits students engaging in intentional conduct involving bullying, harassment, and/or intimidation that substantially interfere with a student's educational opportunities. In addition, any reprisal or retaliation against an individual who reports an act of bullying, harassment and/or intimidation will be handled in accordance with the *BCPS Student Behavior Handbook*. It is important to report alleged bullying, harassment, and/or intimidation that occurred on school property; at a school-sponsored activity; on a school bus; or on the way to and/or from school. The student victim, the parent/guardian of a student victim, close adult relative of a student victim, or a school staff member may report an incident of alleged bullying, harassment, and/or intimidation, by completing the *Bullying/Harassment/Intimidation Reporting Form*. This form can be obtained at the school office or at the following link: [http://www.bcps.org/offices/sss/pdf/Harassment-or-Intimidation-\(Bullying\)-Reporting-Form.pdf](http://www.bcps.org/offices/sss/pdf/Harassment-or-Intimidation-(Bullying)-Reporting-Form.pdf).

BCPS Student Handbook

Students and parents need to review the Student Handbook together then sign and return the Student Handbook Acknowledgement Form within the first 5 days of school. The Student Handbook can be found online through Baltimore County Public School's website <https://www.bcps.org/system/handbooks/Student-Handbook.pdf>

TECHNOLOGY

S.T.A.T

Students & Teachers Accessing Tomorrow (S.T.A.T.) is a fundamental shift in teaching and learning to meet Baltimore County Public Schools' (BCPS) Theory of Action: To equip every student with the critical 21st century skills needed to be globally competitive; BCPS must ensure that every school has an equitable, effective digital learning environment. All students grades 1-5 have access to a digital learning device and personalized, blended, interactive curriculum. Kindergarten students share 5 devices per classroom. Lyons Mill Elementary will use the HP EliteBook© Revolve 810 G3

as a learning tool as part of BCPS system-wide conversion to a 1:1 digital learning environment.

BCPS One

Our BCPS One system is an online environment with integrated tools and resources for all BCPS students, staff and parents. All of the district's programs and initiatives around student data, assessments, curriculum, instruction, reporting, and analysis are being integrated into a single, user-friendly, platform. Through BCPS One, you can access items such as Learning Management, Student Information and Digital Content anytime and anywhere. For more information, <https://bcpsone.bcps.org/support/faq.aspx>. If you are new to Baltimore County Public Schools, you will be given a Parent Verification Code. Visit <https://bcpsone.bcps.org/>

Growing Up Digital

We value the rich learning and communication experiences that technology brings to our students, classrooms, and family lives. Our students must be taught to make good choices as they interact in these spaces for learning and for fun. We believe that with parents and guardians as our partners, we can help our students to gain skills, understanding, and dispositions that will enable them to be responsible and safe in these digital environments. For more information, please visit our website http://www.bcps.org/growing_up_digital/

HP Devices/1:1 Technology

Will my student bring the device home?

The current plan is that student devices stay in the building at the elementary level.

What will happen if my child damages the device?

The HP Elite book Revolve 810 G3 was selected for its premium materials like, scratch resistant glass, magnesium chassis and spill resistant backlit keyboard. However, accidents do happen. Each device comes with an accidental damage warranty. Each student and teacher will receive information regarding the proper care of the HP Elite book Revolve 810 G3 when they receive the device. At Lyons Mill we will use the term: "Explorers Embrace" to carry and care for the device.

How should students treat their devices?

The device that each student receives will be his/her device for use during the school year, so taking care of it will be of high importance. Getting a new one will not be the easiest process. Students will be instructed in class of how to use and hold their devices. Parents should, on occasion, ask the students how their device is working. If students experience any problems they should report it to their teacher right away. NO food or liquid will be allowed near the device.

If there is a student using the device in an inappropriate way, certain privileges will be suspended and the use of the device **MIGHT** be subject to confiscation.

Use of devices will be for academics only.

Please make sure your phone number and email address are up to date.

Student Planner

Every student at Lyons Mill Elementary is given a student planner at the beginning of the school year. Please review daily assignments, notes, and the Parent/Teacher Collaboration section. By signing your name in the box at the bottom of each day, you are indicating to your child's teacher that you have seen the assignments and are aware of all notes written to you.

Monday Folders

All important papers, school notices, recreation flyers, etc., will be sent home on Mondays only. The folder has two pockets. One reads "Keep at Home". Please take these papers out of the folder. The other pocket reads "Return to School". Examine these papers, do what is required, and place them back in the "Return to School" pocket. Please return the folder to school on Tuesdays so it can be collected for the week.

Monthly Newsletters

The Lyons Mill Elementary School newsletter is published once a month and emailed to each family. Our newsletter is the primary source for up-to-date communication about our school community's activities and events. Copies of the newsletters are also posted on the school's website <http://LyonsMillES.bcps.org>

Conferences & Communication

Lyons Mill Elementary School welcomes and values communication and collaboration between families and our staff. A parent or teacher may request a conference during the year to discuss student progress, behavior, and/or an area of concern. BCPS has designated **Friday, November 11, 2016** as an elementary conference day. Schools will be closed for children so that parents may schedule conferences with teachers.

Parent University

The BCPS Parent University was created to support parents as teachers who guide the learning of their children and as learners who want to acquire skills to better assist their children. The Parent University offers in-person workshops throughout the community as well as online resources and videos to meet the unique needs of all families. Focus

areas include academics, health and wellness, and personal growth and development.

BALTIMORE COUNTY PUBLIC SCHOOLS CORE CURRICULUM

Kindergarten–Grade 5 Core Curricula

The *Core Curricula* is set by the BCPS Board of Education. In addition to the *Core Curricula*, special area classes are scheduled for kindergarten through grade five students with teachers certified in their fields. Grade level curriculum summaries, ideas of how you can help at home, and outlines of what students are expected to learn and be able to do in all subject areas are available at <http://www.bcps.org/parents/>.

Art

At every grade level, different themes and art techniques are taught in weekly lessons by a full-time art teacher and a part-time teacher. Student art is regularly displayed in the school hallways. Please be sure that your child brings an art smock (old, clean t-shirt or apron) to school the first week in order to be prepared for art activities each week.

Library/Media Studies

Children are taught how to use the library, computers, the internet, and work on special topics for research each week. In addition, children are permitted to check out books for reading and enjoyment.

Physical Education

All children have physical education once each week. Instruction includes the use of a variety of equipment, develops a number of different skills, and promotes health awareness. Please be sure that your child is dressed appropriately for physical activity on Physical Education days. **Tennis shoes are required.**

Vocal/Instrumental Music

First through third grade students are introduced to the basic elements of music and participate in vocal music. Fourth grade students have the opportunity to explore different musical instruments and fifth grade students have the opportunity to learn to play an instrument. The appropriate instrument must be provided by the parents (purchase or rental options are available). Children who choose to play an instrument will participate in two concerts during the year.

GRADING AND REPORTING

Grading and reporting procedures have been revised for the 2016-2017 school year. Please visit <http://www.bcps.org/academics/grading/> to read the BCPS Grading and Reporting Procedures Manual.

Our Purpose

Baltimore County Public Schools commits to all stakeholders to provide equitable, accurate, specific, and timely information regarding student progress towards agreed-upon common course expectations as well as feedback for next steps and growth areas. The primary purpose of grades are to communicate what students know and can do in relation to the course expectations.

Equitable	The same work, completed in two different classrooms, should receive the same grade.
Accurate	Grades are based solely on achievement, which means other factors like behavior and attendance are not used to calculate a grade.
Specific	Grading policies should be so clear that students should be able to tell teachers what grade they have earned, even before the teacher calculates it.
Timely	Feedback to students is so timely that students can actually use that feedback right away to improve their performance on tests and assignments.

Our Guiding Principles

1. Grading practices must be supportive of student learning.
2. Marking-period grades will be based solely on achievement of course or grade-level standards.
3. Students will have multiple opportunities to demonstrate proficiency.
4. Grades will be based on a body of evidence aligned to standards.
5. A consistent grading scale will be used to score assignments and assessments.
6. Accommodations and modifications will be provided for exceptional learners.

Grade Level Homework Guidelines:

- * K - Maximum of 20 minutes

ADDITIONAL PARENT INFORMATION

Student Contact Information

In order to keep our lines of communication open, it is vital to have the most up-to-date information listed on your “student contact information” form. Whenever contact information changes, parents must notify Lyons Mill Elementary in writing. Your emergency information is recorded into an electronic database to assist staff in contacting parents for routine procedures as well as for emergencies.

Classroom Visitation

We encourage you to visit the classroom and schedule a conference time slot with staff members. Please contact your child’s teacher in advance to make arrangements for visits and conferences. Visits should not interfere with the instructional program or testing. If you would like to discuss your child’s progress, please schedule a conference with the teacher. Please do not use your cell phone when visiting our classrooms.

Raptor

To promote safety and security district wide, Baltimore County Public Schools implement One-card identification system at all BCPS schools and offices by following Policy and Rule 3710 of the Policy Manual of the Board of Education of Baltimore County (to view the complete Policy and Rule, visit: http://www.bcps.org/system/policies_rules/). This identification system provides a higher level of school safety and security through immediate background checks and creation of on-the-spot, personalized identification badges, complete with photographs. Information collected by the Raptor system will not be shared outside of the school system and is stored on a secure server.

- The system works by scanning a visitor’s driver’s license or government-issued photo ID.
- Staff members in the main office will scan the ID, and Raptor will extract the photo, name, driver’s license number and date of birth.

- Information will be used to log visitors in, print a personalized visitor's pass or badge and check a visitor's information against sexual offender databases throughout the nation.
- The process must be repeated for first-time visits to another school.
- Refusal to have an ID scanned will result in a denial of access to the school.

Locker Searches

The principal may conduct a search of the school's physical plant including students' lockers. Students have the responsibility to cooperate with school officials who conduct reasonable searches and seizures under federal and state laws and regulations as well as BCPS' policies and rules.

Cell Phones

Children are not permitted to use cell phones during the school day and/or on school buses. Cell phones must be turned off and kept in book bags in lockers. Cell phones are the students' responsibility. If lost or stolen, the school is not responsible.

Money

Please make sure that all money sent to school is in a sealed envelope with your child's full name and teacher's name clearly written on the outside of the envelope along with the purpose of the money. This process must be followed for breakfast/lunch money, field trip money, yearbook money, as well as any event that requires money. Please remind your child to give the clearly labeled, sealed envelope to the classroom teacher upon arrival. If you have any questions about sending money into school, please contact your child's teacher.

Field Trips

Each grade level participates in field trips that enrich the BCPS curriculum. Prior to the trip, a permission slip will be sent home for parents/guardians to sign and return. Please return the slip and any fees associated with the field trip to the teacher. Teachers may ask for chaperones as needed. All chaperones must complete the volunteer application and training process for the current school year. Successful completion of the volunteer application and training process will only allow the applicant who successfully completed the application process and training to attend field trips.

Passport School

Lyons Mill Elementary offers an innovative Spanish language program to 4th and 5th grade students. They will use their digital learning devices to participate in a self-paced Middlebury Interactive Languages program four days a week, on the fifth day, they will practice conversation and vocabulary with a Spanish teacher. One of the benefits of this amazing Spanish language program is that the whole school will participate in extension activities throughout the school year, including learning about other cultures.

Volunteers are utilized in both instructional and non-instructional ways. **Early in September, all volunteers are required to complete the volunteer application and training process. This may now be completed online.** State Law requires that all volunteers be trained annually in *Suspected Child Abuse and Neglect* policies and procedures. To assure protection under Maryland State Law for comprehensive liability and worker's compensation, all volunteers are required to sign a time sheet upon entering the school and to wear a volunteer badge. It is important that you sign the volunteer log and record your hours each time you report to your volunteer job. A sign-in volunteer log is located in the main office.
