Dear Lyons Mill Elementary School Families,

Welcome to Baltimore County's newest 700-seat elementary school in Owings Mills! We are thrilled to have you join Team LMES as we collaborate and build relationships with you right from the start. Our school is scheduled to open on Monday, August 24, 2015.

Lyons Mill Elementary School is located at 9435 Lyons Mill Road, Owings Mills, MD 21117. Since our school is under construction, our administrative team is temporarily housed at New Town Elementary School, 4924 New Town Boulevard, Owings Mills, MD 21117. Please do not hesitate to call us at 410-887-1719 as we want to answer all of your questions!

We are very excited that Lyons Mill Elementary will help pilot our 1:1 digital learning environment where every student - Kindergarten through Grade 5 - and every teacher will have their own HP EliteBook Revolve 810 computer. As a Passport School, Lyons Mill Elementary will offer an innovative Spanish language program to Grade 4 students. One of the benefits of this amazing Spanish language program is that our whole school will participate in extension activities throughout the year.

If you were not able to attend one of our parent information and networking sessions, we have planned several events this summer so we can meet you and your child. Our first event is scheduled in July.
